## Chelsea has spent over \$600M on players since it was bought by American Todd Boehly's group

The Blues' record spending comes with significant risk

# Our Questions

- How the teams performed compared to each other?
- How the players performed compared to each other?
- Which region has the most valuable teams? And how is this valuation distributed amongst the teams' roster?
- What is the return on investment for the players?
- How did the teams affect the players' performance?
